Welcome to Mrs. Stewart's WRE Preschool

At the end of the year we provide a **Preschool Wish List**. This is a list of items that we need to refill for next year. We have never had a supply list for preschool because of the past donations. Thank you in advance if you are able to help out!!!

Our baby chicks began to hatch on Monday. When we arrived at school, we had two that were already beginning to hatch. By the end of the day Monday we had a nice little brood (I didn't get an exact count). As usual, not all the eggs developed fully. We enjoyed holding and playing with the baby chicks. Unfortunately, they had to go back to the farm where they can continue to grow.

Next Week in Preschool:

We will read stories about Mother's Day. I cannot tell too much about what to expect next week... We will be using paint on Monday so things may get a little messy.

The new site words will include and, the, you, can, see, look, & like. We will continue to review the other site words as well.

Sonya will be here to take photos of the children in a graduation cap and gown. She did this last year and is happy to do it again this year!

Thursday, children will be very busy. They will go to library with Mrs. Boshart as they have been the past few weeks. They will also take part in the kindergarten move up day. The kindergarten teachers will bring their current classes down and pick the preschoolers up.

Together they will walk through the school to the kindergarten room where they will stay for one hour completing a book and activities. This is an exciting time for the preschoolers. As we have read stories this week about kindergarten we discussed how kindergarten will be similar and different to preschool.

We will be taking a small field trip to the library downtown. Mrs. Fairbanks talk to the children about the summer reading activities. This also allows children to explore and see what other activities take place at the library. Remember to check out her schedule to see what fun activities will be taking place over the summer months!
